## Workforce joining formality

Developers  
and Testers  
Joining FNZ

Request them to sign  
the FNZ IT Policy

Check with FNZ to get the latest version of IT policy. Just sign and share the signed page alone to FNZ HR. Click here for Sample email

Initiate the  
request to  
create VM

Get the FNZ HR PoC and share the developers and Testers list to them. Most likely will take 2/ 3 weeks to get the VMs. Click here for Sample email

Verify whether all  
the software's are  
available in the VMs

The VM configuration will vary between Developer and Tester. Click here to know those VM details

Reach the Respective  
Project specific PMs to  
get missing access

Consolidate the missing details for every developers and Testing. FNZ PM will reach their infra team via Infra JIRA to resolve those issues

Now ready to  
commence the  
Great work

Follow the direction from the FNZ PM and align to their delivery accordingly
